1. I have given you this time to know me in a different way, not entirely, but nuances of me not heretofore noticed, seen, detected, that I am now bringing to your attention/heart, your of-me that all of me-you now is. I love you.

2. Thou seest things not heretofore seen, detected, distinguished, nor documented as me, from me, of being my/about my kingdom, real and untrue, not; real and true'd. I love you all.

3. Thou seest me in new light/dimensions, and dimensionless understanding now thine, I am all things unto my chosen, my who died for me; **notwithstanding all persecution now rests in me, hearing only my voice/chosen.** I love you.

4. Thou art all things for all times/seasons, not withstanding anything, in spite of all things that would raise their/its head of not-me, does not-me exists?/really exists?

5. Thou standest for all to see/reconcile their differences, not; but knowing one now that one became, cannot reconcile not their differences now. Seeing the one and only and recognizing the one, only one, that they are/can be, if chosen, if choosing, they choose me/to walk in/have all, only in/because of surrender.

6. I love you all.

7. This is the time seen, not, but shortly will be; all stations, all seasons, times all. There is never without me again. My airwaves penetrate me, not; but I do, them; completely, permeatingly and penetrating them, I am me/free; I free them, many.

8. Bowing before another never again, bowing before all in honor of my body being before you, unto you a child is born, this day, in the city of their choice, not; but mine. See all things forechosen, not; but into me I am in my body all/royal.

9. And all things come under/into question, not; but you resolve/solve the many who have wondered, wandered, **and now penetrating the veil that wasn't but that kept them out**, you know where; wandering, pandering, and receiving crumbs for wages; faltering, and fathering none of me.

10. I promise/my promise still stands. Receiving all you make equity perish in the world's eyes, giving them my mercy, equitable justice, which requires meekness; and

sorrowful repentance requires motive change, heart healing. You bring/touch all, not; many, many channels, simultaneously, not; permeatingly, yours. Amen.

11. Arrest not, rest.

12. Feeding all, not; but with my word, many.
13. Thou goest before me, not; but I have, you.
14. All things prepared/ready.
15. Thou ridest me in, not; but see me landing you, propulsion of me.
16. This is my/our time.

17. See all things destined, not; thou chosest me over and repleted became with/for only me. I lovest thou forever. Me/mine.

18. **Ted, love my brethren more. Patient be. Bowing. Honoring. Philippians 1:18 honoring.** I love you lover of my brethren/all. I love you me-lessly not; there are/is none.

19. One-er I am. One is what I do.
Framework/your framework, yours.
You asked. I gave. Thank you unashamed-of-me.

20. I love your hair. My body yours now completely, tender be with all. She is mine. I am her. My Christ lives, in all.

21. I love you.

Amen.

Me
